RE: OPT – IN INFORMATION

Pursuant to Wisconsin Statute 66.0809 (5), Muscoda Utilities provides landlords with monthly notification of delinquent balances owed by tenants, for both current and past tenants. This notification is provided because of the possibility that any unpaid charges may result in a lien against the property.

Muscoda Utilities requires your written authorization to continue to send the monthly tenant delinquency notifications.

Property owners must opt-in to receive these notices; otherwise we are unable to proactively provide you with such information. If your written authorization is not received you will no longer receive the monthly notification letters.

If you have any questions, please contact me during regular business hours of 8:00 a.m. to 4:30 p.m., Monday through Friday at (608) 739-4617 or at rnankee@wppienergy.org.

Sincerely,

Reg Nankee
Utility Clerk
